

## HOW TO GET TO THE FAMILY DOG TRAINING CENTRE

### Directions from the M1

Exit the M1 at junction 9. Take the A5183 towards St. Albans. At the first roundabout, turn right towards Redbourn. Follow the road straight ahead and round a right hand bend (the High Street will be on your left). Continue straight ahead through the cul-de-sac signs and past the Redbourn Recreation Centre on your left. Turn right into Luton Lane and you will see the gate to the training field immediately on the right after you turn.

### Directions from St. Albans

From St. Albans take the A5183 towards Redbourn and junction 9 of the M1. Follow this road for a few miles until you come to a roundabout (just after a Shell petrol station and the Chequers pub). Go straight ahead into Redbourn. Turn right into Redbourn High Street (in reality you are going straight ahead but the main road takes a sharp turn to the left). Follow the High Street straight through the village. At the T-junction opposite the fire station turn left into Dunstable Road. Continue straight ahead through the cul-de-sac signs and past the Redbourn Recreation Centre on your left. Turn right into Luton Lane and you will see the gate to the training field immediately on the right after you turn.

### Parking

There is only limited parking in the paddock entrance area. Please park on Dunstable Road, just before/after/opposite Luton Lane. The entrance to the paddock is only 20 metres from Dunstable Road, so you will not need to walk far.

If you will be bringing more than one dog and therefore need to leave a dog in your car during the lesson, please contact me in advance. For security, you will be able to leave your car in the paddock entrance area, so that you can see it at all times.
